# Steps to Obtaining DAYBUE® (trofinetide)

What to know when your loved one is prescribed DAYBUE

This roadmap is designed to help guide you through each step of the DAYBUE treatment journey. Along with your loved one's healthcare provider (HCP), Acadia Connect® is here to provide educational support and resources whenever you need them.

#### STEP 1

### Getting Started With DAYBUE

Important: You must provide consent in order to receive the full support and resources provided by Acadia Connect.

✓ You can provide consent using the DAYBUE Patient Consent Form or on the DAYBUE Prescription and Enrollment Form your HCP submits to Acadia Connect

### STEP 2

# **Understanding Your Insurance Coverage**

Acadia Connect will help you verify your insurance coverage for DAYBUE.

- ✓ Once verified, your Nurse Care Coordinator will contact you to help you understand how your insurance covers DAYBUE and provide information on potential financial assistance options
- ✓ Your Acadia Connect Family Support Educator can also help you understand your insurance coverage

#### STEP 3

### Preparing for DAYBUE Treatment

Your Family Support Educator will meet with you in person or virtually before your loved one starts DAYBUE to

- ✓ Ensure you are prepared to begin treatment
- ✓ Review the Acadia Connect® Welcome Kit
- Answer any questions you have about DAYBUE

### STEP 4

## Receiving DAYBUE Prescription Deliveries

AnovoRx, the specialty pharmacy exclusive to DAYBUE, will ship the product to your home.

- ✓ AnovoRx Specialty Pharmacy will call you to coordinate your shipment. During that call, the AnovoRx clinical pharmacist can answer any questions you may have about DAYBUE
- ✓ DAYBUE needs to be stored in your refrigerator in an upright position. Schedule delivery for when you are home

### STEP 5

### Establishing a Treatment Routine

Your Family Support Educator will follow up with you throughout the treatment journey to check in on your experience with DAYBUE.

Once your loved one begins DAYBUE, be sure to

- ✓ Track your loved one's treatment, including dosing, results, and any potential side effects
- ✓ Contact Acadia Connect or your loved one's HCP with any questions or concerns about DAYBUE
