

introducing Acadia Connect®: support by your side

We're glad you're taking the next step in your treatment.
Acadia Connect® is here to help.

What is Acadia Connect®?

Acadia Connect® is a patient and care partner support program that connects you and your loved one with educational support and resources before and after NUPLAZID is prescribed. The team will help you with:

- ♥ Understanding the condition and information about NUPLAZID
- ♥ Answering questions on insurance coverage
- ♥ Information on potential financial assistance options
- ♥ Support and education throughout the potential treatment journey

Please read the accompanying full Prescribing Information, including **Boxed WARNING**, also available at NUPLAZID.com.

what happens next?

after you enroll, expect 2 calls:

1. From your dedicated Acadia Connect® Care Coordinator

Once enrollment is complete, your Care Coordinator will call you or your care partner within 2 business days. Please answer a call from **1-844-737-2223** or call back to get started.

Your Care Coordinator:

- ♥ Helps you navigate insurance and the prescription-filling process
- ♥ Provides information on potential financial assistance options when needed
- ♥ Coordinates with you and the pharmacy to ensure a timely and convenient delivery of NUPLAZID

2. From the specialty pharmacy that will send your NUPLAZID

Calls from your specialty pharmacy may come from a number you don't recognize. You'll need to speak to the specialty pharmacy to begin receiving your prescription. Be sure to answer or return these calls and save the number to help avoid delays.

Don't miss our call.
